Please accept this Form 99 in response to your RFAI dated 3/22/15 regarding the Year End Report for Friends of Stewart Mills:

The debt owed to FP1 Strategies was reported as 'forgiven' due to an adjustment to the final amount due as agreed to by both of the parties after the final accounting of services rendered was complete. The terms of the adustment are in line with adjustments that the vendor would make with nonpolitical customers in the ordinary course of business.
